

NEW!!! Order Your Milliplex Assay Kits Through BIORESKO!

We Make Building & Ordering Custom Kits Easy Too!

15% Off List Every Day and FREE SHIPPING!

So...Where Do You Start?

You Know What You Want

1. Click On **"Custom Products"** icon on the left side of the BIORESKO website and click the link To The **"EMD Milliplex Analyte Kit Builder"**

emdmillipore.com/milliplex

2. Design your kits and add them to the cart. When finished, press **"Print Cart As PDF"**. And email the pdf to BIORESKO at: freezer@umaryland.edu

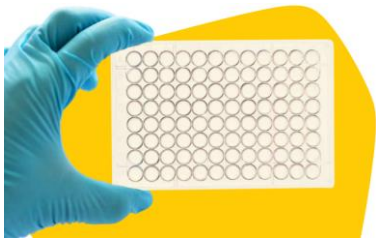

3. You will be notified by BIORESKO with a Quote and Ref #, so you can place your order on the BIORESKO Website.

You Need Help Designing Your Kit

1. Contact Jason Rosenzweig, PhD., Your Millipore-Sigma Flow Cytometry and Biomarker Specialist, at: Jason.rosenzweig@emdmillipore.com

2. Tell Jason what analytes you may need and any other important info about your research. He will help you design your kits and he will send a quote to BIORESKO. (24-48 hour quote turn-around time)

3. You will be notified by BIORESKO with a Quote and Ref #, so you can place your order on the BIORESKO Website.
